

## PROGRAM DESCRIPTION (CLOTHING RENTAL BUSINESS)

### User Manual

After entering the program main menu, users have to choose their roles (Customer/Admin) to proceed.

Users can click on “Our Info” on the main menu to view our company information such as company name, address and contact details. Click on the “Back” button and return to the main menu.

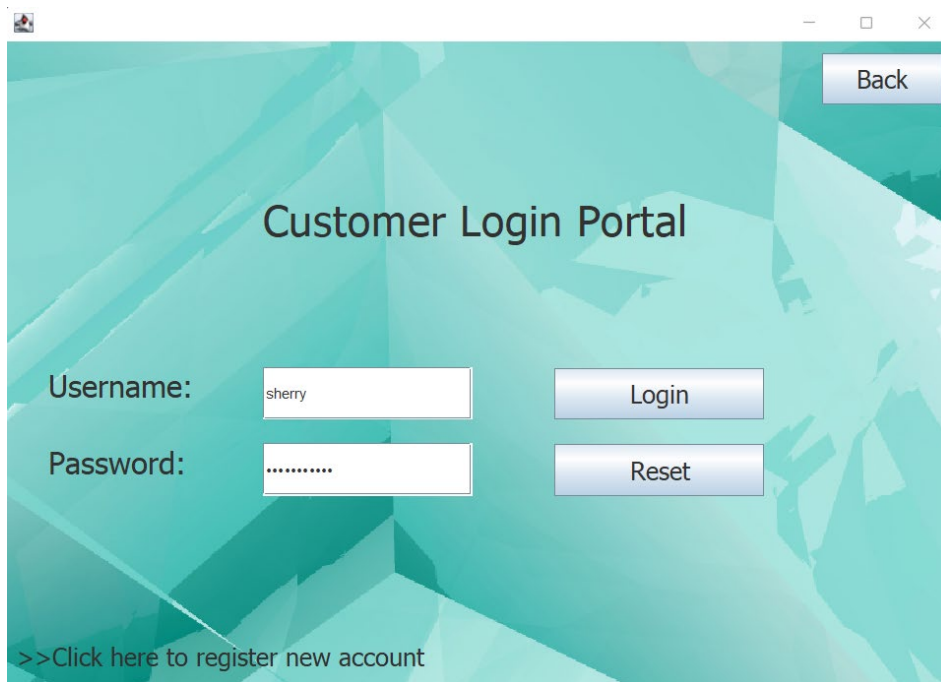

By clicking on the “Exit” button in the main menu, a window will pop-up. Users can choose “Yes” to exit the program or “No” to continue using it.

## 1. Customer

### 1.1 Customer Login Portal

When users proceed with the “Customer” option, users will reach the customer login portal. Users can fill in their “Username” and “Password” to login to their account. Users can click on the “Back” button if they want to return to the main menu.

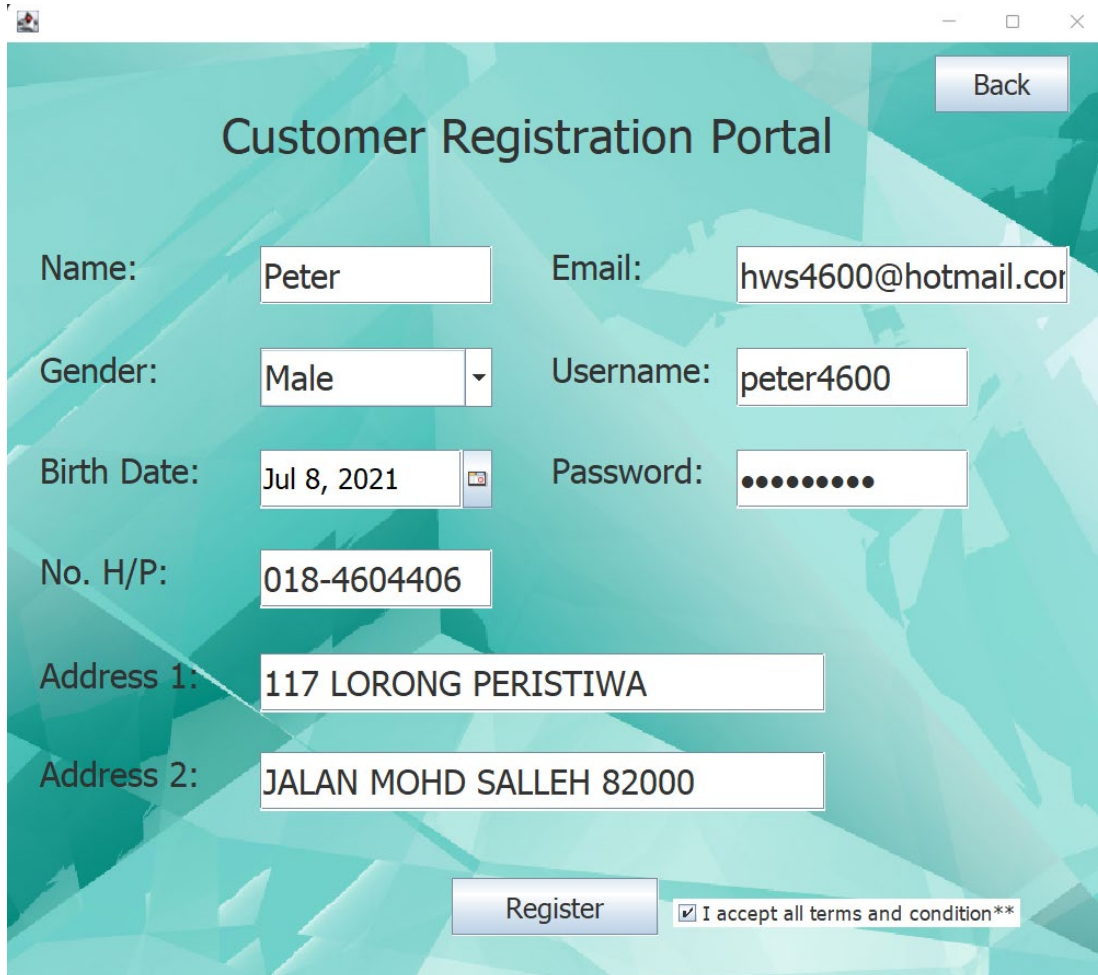

The screenshot shows a web application window titled "Customer Login Portal". The background is a teal abstract pattern. In the top right corner, there is a "Back" button. The main content area contains two input fields: "Username:" with the value "sherry" and "Password:" with masked characters ".....". To the right of the "Username" field is a "Login" button, and to the right of the "Password" field is a "Reset" button. At the bottom left, there is a link that says ">>Click here to register new account".

If users login with correct login credentials, “Login Successfully” window will pop-up, otherwise the “Error” pop-up window will show up.

## 1.2 Customer Registration Portal

For new users, they can click on the “Click here to register new account” word to register a new account. Users can click on the “Back” button if they want to return to the login portal.

The image shows a web browser window titled "Customer Registration Portal". The background is a teal abstract pattern. In the top right corner, there is a "Back" button. The form contains the following fields and labels:

- Name: Peter
- Email: hws4600@hotmail.com
- Gender: Male (dropdown menu)
- Username: peter4600
- Birth Date: Jul 8, 2021 (calendar icon)
- Password: (masked with dots)
- No. H/P: 018-4604406
- Address 1: 117 LORONG PERISTIWA
- Address 2: JALAN MOHD SALLEH 82000

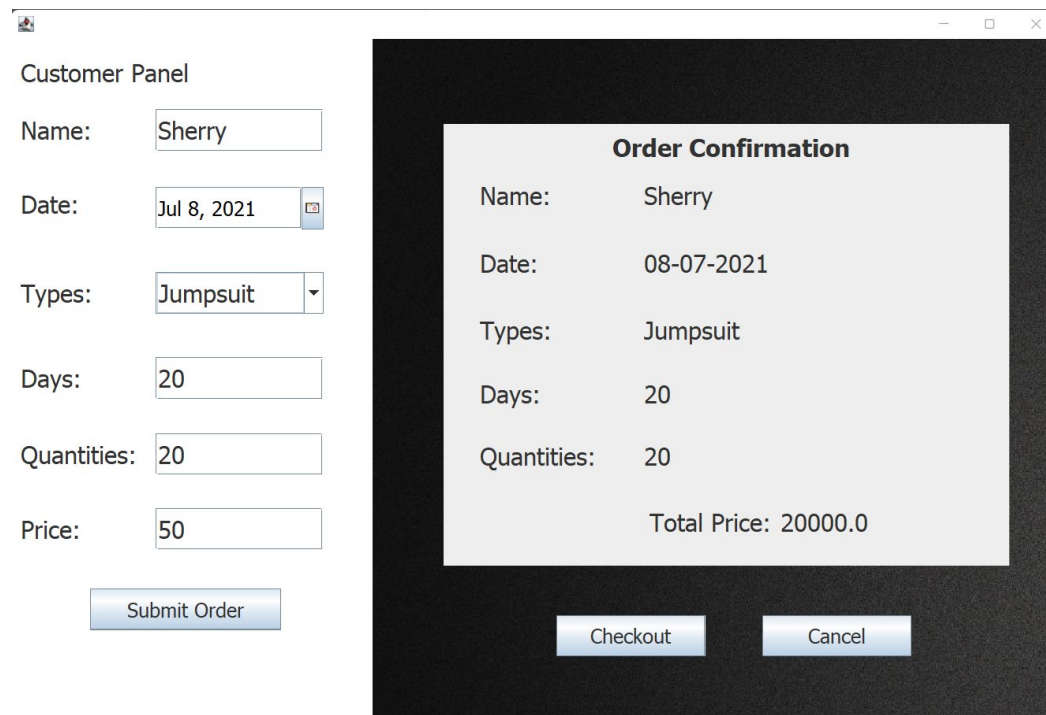

At the bottom, there is a "Register" button and a checkbox labeled "I accept all terms and condition\*\*" which is checked.

“Registration Successful!” window will pop-up once users fill up all their info and click on the “Register button”.

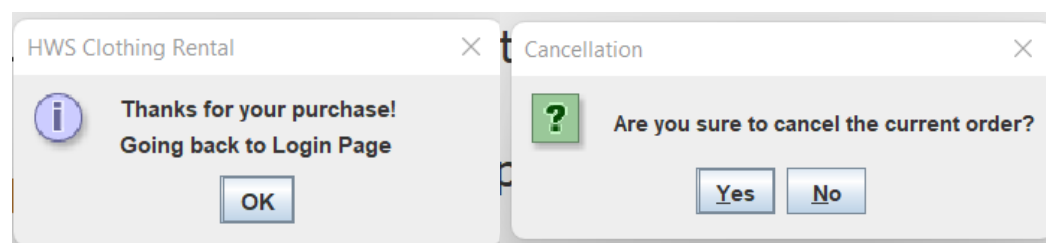

### 1.3 Customer Panel

After users login with correct credentials, the program will lead them to the Customer Panel. Click on “Submit Order” when all required infos are filled and the details will show on order confirmation at the right side of the panel.

The screenshot shows a web application interface. On the left is the 'Customer Panel' with input fields for Name (Sherry), Date (Jul 8, 2021), Types (Jumpsuit), Days (20), Quantities (20), and Price (50). A 'Submit Order' button is at the bottom. On the right is a dark overlay containing a light gray 'Order Confirmation' dialog box. The dialog displays the order details: Name: Sherry, Date: 08-07-2021, Types: Jumpsuit, Days: 20, Quantities: 20, and Total Price: 20000.0. At the bottom of the dialog are 'Checkout' and 'Cancel' buttons.

Click on the “Checkout” button, “Thank you” window will pop-up and show the user’s order was successful and will bring users back to the login page. On the other side, click on the “Cancel” button, choose “Yes” to cancel the order or “No” to continue with your order.

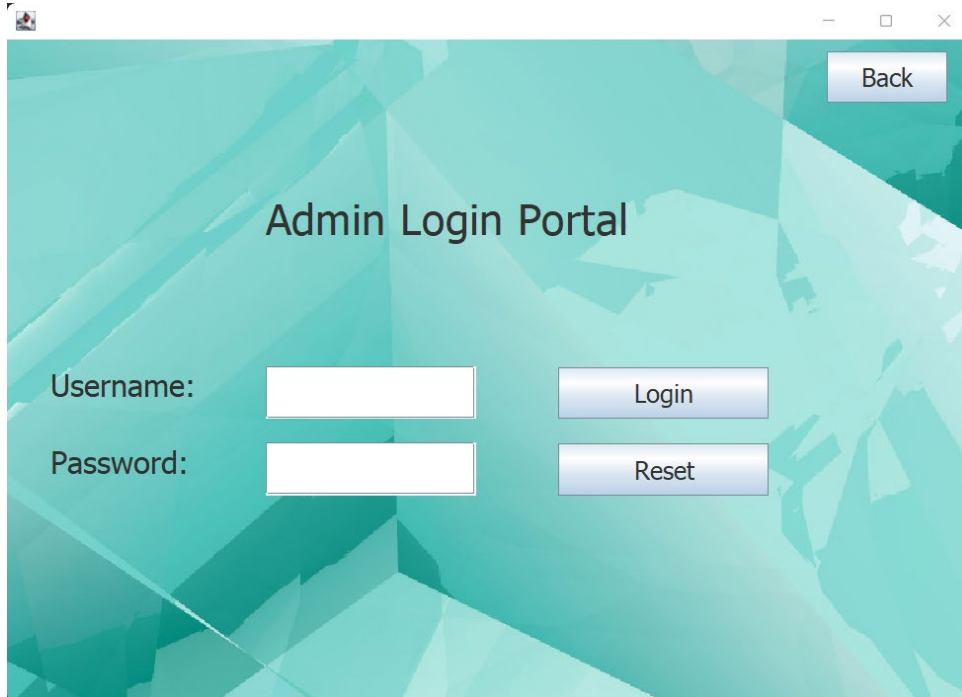

The screenshot shows two overlapping windows. The left window, titled 'HWS Clothing Rental', has an information icon and the text 'Thanks for your purchase! Going back to Login Page' with an 'OK' button. The right window, titled 'Cancellation', has a question mark icon and the text 'Are you sure to cancel the current order?' with 'Yes' and 'No' buttons.

## 2. Admin

### 2.1 Admin Login Portal

When users proceed with the “Admin” option, users will reach the customer login portal. Users can fill in their “Username” and “Password” to login to their account. Users can click on the “Back” button if they want to return to the main menu or “Reset” button to clear off their input.

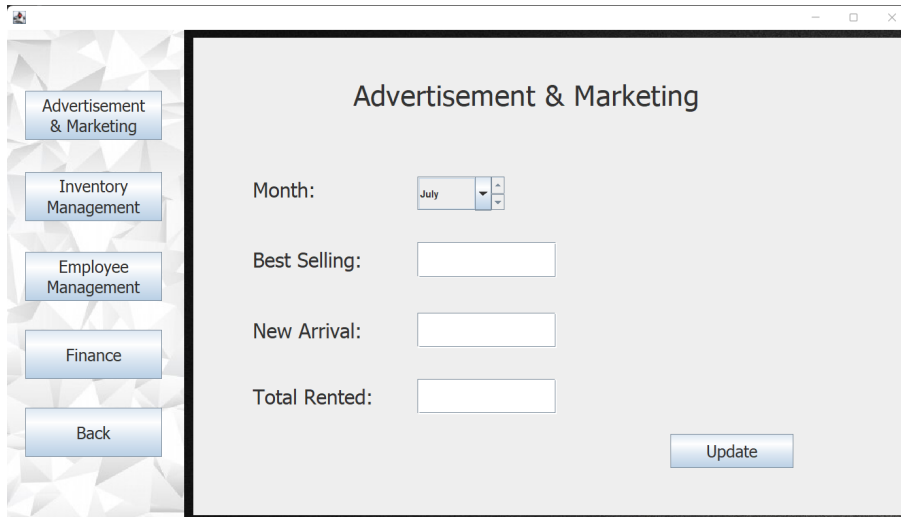

A screenshot of a web application window titled "Admin Login Portal". The background is a teal abstract geometric pattern. In the top right corner, there is a "Back" button. In the center, the title "Admin Login Portal" is displayed. Below the title, there are two input fields: "Username:" and "Password:". To the right of the "Username:" field is a "Login" button. To the right of the "Password:" field is a "Reset" button.

If users login with correct login credentials, “Login Successfully” window with admin name will pop-up, otherwise the “Error” pop-up window will show up.

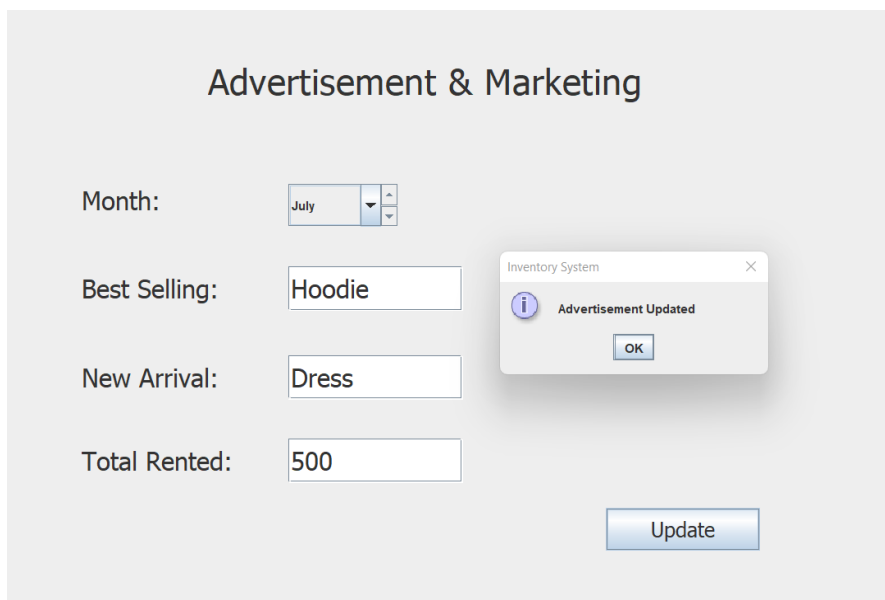

## 2.2 Admin Panel

After users login with correct credentials, the program will lead them to the Admin Panel. Admin users are able to view “Advertisement and Marketing”, “Inventory Management”, “Employee Management” and “Finance”. Users can click on the “Back” button if they want to return to the admin login portal.

The screenshot shows a web application window titled "Advertisement & Marketing". On the left is a sidebar with five buttons: "Advertisement & Marketing" (highlighted), "Inventory Management", "Employee Management", "Finance", and "Back". The main content area has the title "Advertisement & Marketing" at the top. Below it are four input fields: "Month:" with a dropdown menu showing "July", "Best Selling:" with an empty text box, "New Arrival:" with an empty text box, and "Total Rented:" with an empty text box. An "Update" button is located at the bottom right of the main content area.

### 2.2.1 Advertisement and Marketing

This screenshot shows the same "Advertisement & Marketing" form as the previous one, but with data entered in the input fields: "Best Selling:" is "Hoodie", "New Arrival:" is "Dress", and "Total Rented:" is "500". An "Update" button is at the bottom right. A small modal dialog box titled "Inventory System" is open in the center, displaying an information icon, the text "Advertisement Updated", and an "OK" button.

Click on the “Update” button when all required infos are filled. “Advertisement Updates” window will pop-up showing the Advertisement page is updated.
